General No. 912 of 1896-97.
No. 848

Enclosure No. 1

Has the honor to forward herewith for favor of sanction, and return, an estimate for Rs 1317 including the Labor contribution of Rs 517 from the villagers, for sinking a draw-well at Bhadramahayakkanahalli in Holalkere Taluk.

2. The net cost of Rs 800 will be met from the amount sanctioned in Proceedings of Government No: 59 ~~X~~ dated 21st March 1897.

Spare copy sent herewith.

3. The villagers have already sunk the well to a depth of 45 feet as will be seen.

From the accompanying estimate and a good spring is tapped at a depth of 33 feet. As this is the only source of water supply in the village, the construction of the well is one of absolute necessity and orders have been issued to the Auditor to start the work in anticipation of sanction more especially as the season is far advanced.

Yours truly,
President
District Fund Board
